## FROM THE CHANCELLOR'S DESK

In consideration of the rapidly changing demands and trends of the industry and the market needs, CVRU Chhattisgarh has always laid emphasis on inculcating a professional acumen in the students. Our primary goal has always been to provide a holistic environment, conducive for the overall development of the young aspirants and students. We focus on imparting the fundamental values and work ethics to aspiring professionals of tomorrow and give them an industry-oriented exposure. We warmly extend our invitation to those who share our vision, goals and purpose to join hands to build a new generation of proficient professionals, capable of taking the Indian industries to new heights in the new digital era.

Located over a vast expanse of lush greens, CVRU Chhattisgarh has changed the way higher education is perceived by making way for skill development and training in the quarters of higher education. Understanding the growing need of higher education with millions of young students, CVRU has spared no stone unturned in providing quality higher education in the region. Our ultimate goal has been to produce a cadre of fully-trained professionals capable of leading their respective industries across all spheres. With the dynamic equations of the global market, experiencing ever changing business manoeuvres, CVRU aims at training the students into developing an efficient skill-set and a flexible understanding of the current trends.

We are full of gratitude towards all those who have showered us with their support and assistance in making CVRU what it is today. My best wishes to our staff, teaching staff and students for their persistence and toil in the direction to make CVRU a game-changer in the sphere of higher education.

May the wings of fortune continue to fly upon CVRU for the days to come!

**Mr. Santosh Choubey**  
**Chancellor**

## FROM THE VICE CHANCELLOR'S DESK

As the Vice Chancellor of Dr. C.V. Raman University Chhattisgarh, it fills my heart with pride as I see CVRU Chhattisgarh as the torchbearer of skill development and higher education in the region. CVRU takes pride in being an institution that imparts skill-based education and produces a cadre of highly trained professionals with a backdrop of academic excellence.

The university aims to continue imparting quality education, professional ethics, practical knowledge and technical proficiency. We are committed to create conducive atmosphere for imparting knowledge and enable learning. Catering to the changing trends and market demands, CVRU has a well-formulated range of courses covering a range of fields and subjects.

The ultimate goal of the university is to prepare a generation of young students and professionals that can work towards the betterment and the development of the society, and further create opportunities for the generations to come. One of the aspects the university pays attention to is to see that the students get the right guidance before they opt for a career and also prepare them technically as well as mentally.

From the deepest corners of my heart, I thank all our stakeholders for their support and wish the CVRU Chhattisgarh family the best of luck for future endeavours. I whole-heartedly welcome all the dear students and worthy aspirants to join hands with our prestigious institution in our great long term pursuits and discover their true potential in the due course.

**Prof. Ravi Prakash Dubey**  
**Vice Chancellor**

## FROM THE REGISTRAR'S DESK

With its primary objective to evolve a generation of young students into a cadre of highly-skilled technical and managerial professionals with deep academic insights and a strong sense of professional ethics and values, CVRU Chhattisgarh stands proud as a leader in the academic corridors in the region.

The university offers a serene and salubrious environment, conducive to academic excellence and developing professional acumen. The university stands as an abode of knowledge that grooms young minds and raw talent.

The university provides a blend of quality coupled with the ecstasy of joy. It plays a major role in shaping the character and the mental capacity of the young students, and develops innovative and entrepreneurial skills. Apart from strengthening the academic foundations, the university encourages the students to take up other interests as well like arts, sports and other co-curricular activities, to ensure a holistic and overall development of the students. The university provides numerous opportunities to showcase their talent at various levels.

Keeping the national interests in mind, the university has initiated successful marches for government schemes and projects like Skill India and Digital India. The students are given the right exposure and experience through seminars, internships, workshops and continuous interaction in terms of projects.

I welcome all the students and aspiring youngsters to join us to grow a new harvest of professionals, capable enough to change the market tides in India's side.

**Mr. Gaurav Shukla**  
**Registrar**

## Extension and Outreach Programs

Extension is an informal educational process directed toward the rural population. This process offers advice and information to help them solve their problems. Through extension and outreach programs, we sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems by making them to involve with the community people. Extension is an informal educational process directed toward the rural population. This process offers advice and information to help them solve their problems. Extension also aims to increase the efficiency of the family farm, increase production and generally increase the standard of living of the farm family. We really feel blessed and happy by organising such events for the society by making it a better place for all to live and survive.

## Capacity Development and Skills Enhancement Initiatives

To deliver a complete ready to serve people in the society is very important. In this regard we are very much active and aware, so we keep on organizing Guest Lecture, Expert Talk Conferences, seminar and workshops for the students to develop their skills and knowledge by listening to the experience and wisdom of different experts of their respective fields. Gaining theoretical knowledge is not sufficient but practical knowledge is also essential. Most important one should have skills to be successful in their life.

- To develop methodologies for incorporating cultural components in classroom teaching to make teaching learning a total experience.
- To provide an opportunity to interact with scholars, artists, educationists for positive attitudinal changes towards innovative teaching.
- To provide skills and training in creative expressions by integrating arts in education.

It helps the faculty members to become acquainted with the new atmosphere so that they will be able to impart knowledge and quality education to students.

Faculty Development Programme scheme is designed to enhance the teaching and other skills of the faculty. And to make them aware about modern teaching tools and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. It will not only promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment, thus channelizing development with respect to academic qualifications and personal matters.

Management Development Program (MDP) is a training methodology that leads to the employee's growth and development. After training; the trainee develops skills, knowledge and an attitude to perform managerial tasks better. Thus, this is a boon not only for the employee but also for the organization.

## Celebration of Commemorative Days

Dr. C. V. Raman University is one of the leading University of Central India, we celebrate National and International days enthusiastically every year. All staff members and students gather in the University to celebrate these days. Every culture has number of festivals and celebration has become a vital activity. It is an integral part of learning and building a strong cultural belief in a student. The events and festivals organized at university are often celebrated with great pomp and gaiety. Therefore, our college University celebrates & organizes the birth anniversaries of national heroes and important Days.

Organization of important national/international days are spreading general awareness, nurturing the talents and inculcating innovative ideas amongst all through establishment of Innovation, Cultural, Scientific, Literary, Sports and Integrity Clubs.

Importance of national festivals and events preach them and remind them about our country's cultural heritage and history.
