Note:-attempt all questions.

Que.1 From the story what is science? What do you understand?

Que.2 What is the moral of the story “Three Questions”?

Que.3 Read the following passage and answer the question given:-

The vedic literature of India has sometime been claimed to be the most ancient literature in the world. This claim is not tenasic, for Mesopotamian and Egyptian literatures which are definitely prior to the Vedas. But the Vedas still remain the oldest literature of all the Indo-European races taken together. Etymologically, the word veda means knowledge and in later times come to mean more specifically, sacred knowledge. The basic texts are the four samhitas, compilation of material hymns or Mantra means that which is thought out by the mind and the sage or more is the person who is capable of that deep absorption of the mind which leads to the
