

The Legal Aid Clinic

Legal Aid is the provision of legal assistance to those persons who are otherwise unable to access the legal system through various means. Our activities include:

- Client counseling;
- Conducting legal awareness camps in rural as well as urban areas;
- Arranging workshops for various functionaries of the legal systems such as lawyers, students, Non-Governmental organizations and Government agencies;
- Carrying out field surveys;
- Conducting Adult Literacy Classes for the non-teaching staff of the University;
- Conducting street-plays on socio-legal issues.

Part IV Entry II of the Bar Council of India Rules on Legal Education makes it mandatory for all 5 year law programmes to have a functional Legal Aid Clinic. The Legal Aid Society at CVRU is set up pursuant to this provision

The legal counseling services provided by us are completely free of cost. Our role however, is restricted to counseling and we do not appear before any court or tribunals but may be able to assist you in finding a suitable lawyer to argue your matter before such a body if the need so arises.
