### Notification

It is hereby notified that the University Research & Innovation Committee (URIC) has been reconstituted with immediate effect. The reconstituted committee will play a vital role in driving internal research initiatives and fostering innovation across various academic disciplines, supporting the university's commitment to enhancing research capabilities and fostering a culture of innovation within the institution.

#### Roles and Responsibilities:

- Promote Research Excellence:** Formulate strategies to encourage the pursuit of high-quality research, with particular emphasis on supporting Ph.D. Scholars in their research endeavours. Foster collaboration among faculty, staff, and students, creating a vibrant research environment that enhances doctoral research.
- Support Innovation:** Facilitate university-driven innovation programs and provide guidance on the commercialization of research outcomes, including patents, technologies, and products developed by Ph.D. researchers.
- Manage Research Funding:** Identify and recommend research funding opportunities for faculty and Ph.D. Scholars. Manage grants for doctoral research projects and ensure appropriate financial oversight for these initiatives.
- Monitor and Evaluate Research:** Review ongoing research projects, including those undertaken by Ph.D. Scholars, to ensure alignment with university goals. Assess their societal, economic, and academic impact, ensuring Ph.D. research contributes meaningfully to the academic community and beyond.
- Foster Collaborations:** Establish and strengthen partnerships with national and international research institutions. Facilitate opportunities for Ph.D. scholars to collaborate with other researchers and participate in seminars, workshops, and conferences to enhance their academic network.
- Develop Policies:** Formulate, review, and revise research-related policies, ensuring compliance with ethical standards, academic integrity, and best practices in doctoral research.
- Engage Scholars and Faculty:** Encourage active student participation in research, particularly for Ph.D. scholars, providing mentorship and support in their research journeys. Organize professional development programs for faculty and doctoral candidates in the areas of research, writing, innovation, and commercialization.
