Action Taken Report
On
Feedback Received from Various Stakeholders
(Students/Faculties/Alumni's/Employers)

DEPARTMENT OF CHEMISTRY

Session 2018-19

S. No	Feedback received from Stakeholders	Action Taken
01.	As per the feedback received from the students they demanded for addition of contents which covers NET/CSIR syllabus	A Decision is made to add some more contents included in NET/CSIR syllabus
02.	Most of the students found the syllabus satisfactory	No action required.
03.	The faculties suggested that there must be provision for self and extra learning in present semester	For self and extra learning student should be motivated to do online courses (NPTEL/SWAYAM etc.) once in every semester.
04.	Faculties suggested to bridge the gap between university standards/current global scenario and academic requirement.	To bridge the gap between schools standards /current global scenario and academic requirement more teaching project should be included in the curriculum.
05.	Employers suggested that student must possess awareness on self-employability and technocratic skills.	Guest lecturers/expert talks by budding entrepreneurs will be conducted to motivate the students.
06.	As per the feedback received from alumni's courses must have more focus on the need of private and public sectors.	Course curriculum was already modified and elective courses/ value added course were introduced.

Feedback Received from Various Stakeholders
(Students/Faculties/Alumni's/Employers)

DEPARTMENT OF PHYSICS

Session 2018-19

S. No	Feedback received from Stakeholders	Action Taken
01.	As per the feedback received from the students they want that our library facility should be more strengthen.	Facilities to access e-books, e-journals, magazines and enhanced internet facilities along with remote access are provided.
02.	Students stressed on to improve the usage of ICT facilities and teaching aids.	Department has ensured that each programme students has minimum of one class room upgraded with smart class facility with the support of University Management.
03.	The faculties suggested that all the programme/courses must have their clearly defined objectives and outcome.	The department has clearly defined programme/course objectives and outcomes.
04.	Teachers should be provided with research facilities to upgrade educational levels.	Faculties are being motivated to do research with collaborations. Special research facilities are made available in the department.
05.	Employers suggested that students should be more aware of Industry requirements and needs.	Industry Professionals and Eminent faculties from other Institutions are invited for delivering lectures.
06.	According to alumni's students must be given more practical and real life exposure.	Internship, Project, field-projects, study tours, presentations, etc. were made as a part of syllabus.
07.	As per the feedback received from alumni's courses must have more focus on the need of private and public sectors.	Course curriculum was already modified and elective courses/ value added course were introduced.

Session 2018-19

Department of Engineering
Action Taken Report

KEY POINTS	ACTION TAKEN
Curriculum based needs	Curriculum should be more application based with focus on innovation based new teaching methods and techniques. More electives should be offered for enhancing Teaching skills of students. Curriculum should be updated with ethics, social needs and sustainable development. Dean advised the teachers to impart the industry related knowledge in the students apart from the regular curriculum.
Availability of reference and text books	More reference and text books should be procured in order to facilitate the students.
Focus on Personality Development Program and Communication Skill	More focus on personality development program, communication skills, teaching skills and ethical values and concern for the society related activities should be there in curriculum.
Multidisciplinary and Collaborative Tie Ups and MoUs	In order to work effectively in multidisciplinary collaborative environment, educational institutions Tie-should be made for training purpose of the students. Must focus on the International MoUs. More number of student exchange and faculty exchange activities must be conducted.
More technical Activities	Department should conduct more social activities focused on application of

Action Taken Report on the Feedback Received from Various Stakeholders
Session 2018-19

Department of Law
Action Taken Report

KEY POINTS	ACTION TAKEN
Curriculum based needs	Curriculum is updated as per the norms of Bar Council of India (BCI). There are some suggestions for the upgradation of teaching methodologies. A formal instruction was passed by the Dean to the faculty members to use ICT tools and techniques for the teaching learning.
Availability of reference and text books	More reference and text books should be procured in order to facilitate the students.
Focus on Personality Development Program and Communication Skill	It has been observed that, our students are lacking of communication skill, so more efforts are to be made for conducting more number of personality development classes and communication skill courses with the help of Training and Placement Cell of the University.
Multidisciplinary and Collaborative Tie Ups and MoUs	In order to work effectively in multidisciplinary collaborative environment, educational institutions Tie-up should be made for training purpose of the students.
More Social Activities	Department should conduct more social activities focused on application of Law for the welfare of mankind.

Action Taken Report on the Feedback Received from Various Stakeholders
Session 2018-19

Department of Physical Education

Action Taken Report

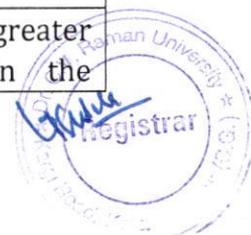

KEY POINTS	ACTION TAKEN
Curriculum based needs	Curriculum should be more application based with focus on innovation based new teaching methods and techniques. More electives should be offered for enhancing Teaching skills of students. Curriculum should be updated with ethics, social needs and sustainable development. Apart from that the playground activities need to be increased. More emphasis should be given to the students for participation in National Level Games. Association of Indian Universities (AIU) games.
Availability of reference and text books	More reference and text books should be procured in order to facilitate the students.
Focus on Personality Development Program and Communication Skill	Focus to be given to the personality development and communication skill with the help of Training and Placement cell of the University.
Multidisciplinary and Collaborative Tie Ups and MoUs	In order to work effectively in multidisciplinary collaborative environment, educational institutions Tie-should be made for training purpose of the students along with that the MoUs to be signed with the different sports association of the state and national level.
More Activities	Department should conduct a greater number of sports activities in the

Action Taken Report
On
Feedback Received from Various Stakeholders
(Students/Faculties/Alumni's/Employers)

DEPARTMENT OF LIFE SCIENCE

Session 2018-19

S. No	Feedback received from Stakeholders	Action Taken
01.	Students suggested for the inclusion of objective based test examination for further preparations.	Instructed to teachers to prepare MCQ for test examinations.
02.	Faculties are suggested to include more advanced equipment's in departmental labs.	Instructed to the department to create a list for purchasing of advanced equipment's.
03.	Faculties suggests department should organize comitative examination based classes.	Planned for the classes for comitative examination classes.

Action Taken Report on the Feedback Received from Various Stakeholders
Session 2018-19

Department of Linguistics
Action Taken Report

KEY POINTS	ACTION TAKEN
Curriculum based needs	Curriculum should be more application based with focus on innovation based new teaching methods and techniques. More electives should be offered for enhancing Teaching skills of students. Curriculum should be updated with ethics, social needs and sustainable development.
Availability of reference and text books	More reference and text books should be procured in order to facilitate the students.
Focus on Personality Development Program and Communication Skill	More focus on personality development program, communication skills, teaching skills and ethical values and concern for the society related activities should be there in curriculum.
Multidisciplinary and Collaborative Tie Ups and MoUs	In order to work effectively in multidisciplinary collaborative environment, educational institutions Tie-should be made for training purpose of the students.
More Social Activities	Department should conduct more social activities focused on application of Master courses of Linguistics for the welfare of mankind.

Feedback Received from Various Stakeholders
(Students/Faculties/Alumni's/Employers)

DEPARTMENT OF RURAL TECHNOLOGY

Session 2018-19

S. No	Feedback received from Stakeholders	Action Taken
01.	As per the feedback received by the student's collection of more specific books of specific courses are suggested.	Proposal for book purchasing are raised and instructed to the librarian for necessary action.
02.	Students have suggested to have more focus on the practical aspect of programme.	Instructed to teachers to more emphasize on practical aspect.
03.	Based on the feedback received from the faculties more practical technological instruments as suggested.	Request is sent to the particular authorities to fulfil the requirements.
04.	As per the feedback obtained from alumni's we found that they are in need of multidisciplinary subject options.	Proposal related to elective courses in our course curriculum will be implemented from next session as discussed in the meeting of BOS.
05.	Faculty suggests to offer more skill-based courses includes modern technologies.	Proposal for course updation is forwarded to BOS of the department.
