CIRCULAR

This is to inform all faculty members that the “**Departmental Research Committee (DRC)**” has been reconstituted to facilitate the effective execution of research programs and address all matters related to research and innovation. The DRC will be responsible for overseeing the following key areas:

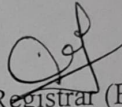

1. Assignment and coordination of Supervisors and Co-Supervisors.
2. Review, refinement, and approval of research proposals.
3. Preparation, review, and finalization of research synopses and plans for the scholars.
4. Monitoring of research approaches, literature reviews, and data collection processes.
5. Ensuring ethical compliance and approval throughout the research process.
6. Reviewing and approving six-monthly progress reports, with regular feedback sessions for research scholars
7. Finalization of research summaries and preparation for DRC presentations.
8. Organizing pre-defense mock presentations and providing constructive feedback.
9. Reviewing, revising, and discussing thesis drafts within the DRC.
10. Assisting in the development and submission of research publications.
11. Offering career counselling and professional development support to post-Ph.D. scholars.
